

I want rules in place that serve the public, rather than private, interest.

The public has not been properly advised on what is taking place. I have meet with a representative of Sen. Hollings who says that the senator is concerned about this issue, too. You need to at least postpone voting on this until the public can be informed about what is happening. The public owns the airwaves.

I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules

Thank you
